I am going shopping today. My friend Lucy will be going too. She is a lovely girl. She will get the bus there but I will go by train. We are going to get lunch in town. I am going to bring an umbrella because it is going to rain. We will be meeting my sister and her friends this afternoon because they are going shopping too. My mum can not collect us so we will get the bus home. We will have to be home at seven o'clock this evening and we will not be late.
