

The Three Little Rabbits

Once upon a time in a far away wood
There were three little rabbits who decided they could
Build a house one each straw, sticks and bricks
But the mean wolf was up to his tricks,

Along came the wolf on his way back from town,
Huff puff huff puff I'll blow your house down,
Huff puff huff puff I'll blow your house down,
Huff puff huff puff I'll blow your house down,
Is this the end of the story now?
