

How could we make the world a better place?

Week One

What are the serious problems in our World today?

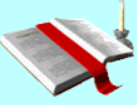

poverty, hunger, violence, lack of healthcare in some countries, conflict, disagreements, homelessness, natural disasters

How could we help if we had no limitations?
We have unlimited money and resources!

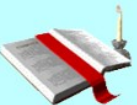

Nobel Peace Prize

The Nobel Peace Prize is one of six awards in the memory of Alfred Nobel, the inventor of Dynamite. Every year the organization gives out six awards for the people "who best benefit mankind through their actions" in one of the six subjects: peace, literature, physics, chemistry, economics, and medicine.

Martti Ahtisaari

for his important efforts, on several continents and over more than three decades, to resolve international conflicts

Task:

You have got a 50 year timescale to make a difference! What would you do? You have unlimited time, resources and money.

Task:

You have got a 50 year timescale to make a difference! What would you do? You have unlimited time, resources and money.

How would you make a difference? What would you do?
