

## Year 3 Curriculum Overview – Autumn Term 2024

### The Big Question

#### Autumn 1- Geography focus:

Europe – Come fly with me! What countries will we visit in Europe?

#### Autumn 2 – History focus:

Rotten Romans – How did the Rotten Romans help us today?

#### Curriculum Enrichment:

Language day – 30<sup>th</sup> September. (MR)  
Black History Month – October (IL, MR, T, D)  
World Mental Health Day – 10<sup>th</sup> October (IL, T, MR)  
Remembrance week – 11<sup>th</sup> November (IL, T, RL)  
Anti-bullying Week – 11<sup>th</sup> November (RL, IL, MR, T, D)  
Parliament Week – 18<sup>th</sup> November (RL, IL, MR, T, D)

#### Fabulous Finish

To finish our units of work in a fantastic way we would like to showcase our work. A date for this will be sent out nearer the end of the term.

#### British Values and Citizenship:

The Rule of Law (RL) will be promoted through school and class rules. Individual Liberty (IL), Mutual Respect (MR) and Tolerance (T) will be promoted through the curriculum. Electing a School Councilor will promote a sense of Democracy (D).

#### Dates for your diary:

McMillian coffee morning – 26<sup>th</sup> September  
Reading Inspire workshop – Week beginning 21<sup>st</sup> October  
Teacher training day – 4<sup>th</sup> November  
School photographer – 29<sup>th</sup> November  
Parents evening – 4<sup>th</sup> December  
Christmas fayre – 6<sup>th</sup> December

#### English:

In English this term, we will be writing a non-chronological report about pirates as well as looking at a traditional tale with a twist. We will be focusing on capital letters, full stops as well as including adjectives and adverbs into our sentences.

#### Maths:

In our Maths, we will be revisiting place value building on our knowledge of addition and subtraction, multiplication and division and fractions.

#### Homework

Spellings will be given every week for a spelling test on Friday. Please read with your child, ideally every day, and write a comment in their reading record. Maths and English homework will be handed out weekly. Half-termly homework grids will be given out at the beginning of each half term.

#### Term Quick View

|                                                                                                           |                                                                                       |                                             |
|-----------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------|
| History                | Romans – The Roman Empire and its impact on Britain.                                  |                                             |
| Geography              | Europe – Use maps to locate the world's countries, with a particular focus on Europe. |                                             |
| Design and Technology  | Design and make a pizza as part of a healthy diet.                                    |                                             |
| Art and Design         | Use clay to create a Roman clay pot                                                   |                                             |
| PE                     | Outdoor: Basketball<br>Indoor: Gymnastics                                             | Outdoor: Tennis<br>Indoor: Mental Health    |
| Computing             | Coding                                                                                | Online Safety                               |
| Music                | Learn to play the ukulele                                                             |                                             |
| RE                   | Bible Creation Stories                                                                | Religious Festivals                         |
| PSHE / RSE           | Being Me in My World                                                                  | Celebrating Difference                      |
| MFL - French         | Greetings                                                                             | Colours, Numbers to 10,<br>Days of the week |
| Science              | Are all rocks the same?                                                               | How do magnets work?                        |
