We are going to be completing a daily reading session every morning to develop our confidence in comprehension, fluency and prosody.

We will be having weekly SPaG sessions and we will also continue to extend our skills with weekly reading comprehension sessions.

Maths:

In maths, we will continue to consolidate our learning of fractions and decimals. We will then move onto learning about algebra, ratio, area, perimeter and volume and position and direction.

Homework

Spellings will be given every week for a spelling test on Friday. Please read with your child, ideally every day, and write a comment in their reading record. SATs preparation and practise homework will be given every Friday. This will include a weekly Arithmetic test and alternate SPaG and Reading Comprehension questions. This will be due in each Friday.
