3. Did you find the workshop useful? (0 point)

Yes	376
No	1
Not sure	4

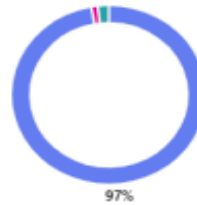

4. Do you think your child was motivated/enjoyed having you there? (0 point)

Yes	369
No	2
Not sure	10

5. Do you now have a better understanding of an element of the curriculum at Reddal Hill? (0 point)

Yes	370
No	4
Not sure	7

6. Did you enjoy having the opportunity to share an activity with your child? (0 point)

Yes	379
No	1
Not sure	1

7. Are the workshops something that you would like to be repeated? (0 point)

8. Is there a particular area of the curriculum that you would like to see being taught? (0 point)

Q9: If you answered yes to Q8, is there a particular area of the curriculum that you would like to see being taught?

- I like the way different activities are placed on the tables for the children to choose.
- English and other things included in the curriculum
- Technology
- Science
- Maths
- All
- Workshop for different subjects/ areas
- D&T
- Art
- Writing
- Music
- Anything that will help my child
- Geography and history
- Fractions
- Phonics
- Yes, think it's nice for the children to show their parents how they can work
- Alphabets
- Life skills e.g., seeing/ cooking
- To see our children how they learn in school

10. Do you think parents should be given the opportunity to have more involvement in their children's learning? (0 point)

● Yes	237
● No	3
● Not sure	10

Q11: Are there any other questions or comments that you would like to ask or make?

- Just a comment, I like all the activities and the interaction with the other children.
- I would like to know more of the curriculum.
- Thank you.
- All good
- Great session!
- Good work shop child enjoyed it.
- Thank you; today's session was lots of fun.
- Design and technology.
- Very helpful and helps us parents to understand methods.
- Fantastic session.
- Lesson was great.
- Well done to the teachers
- Good class and must arrange a science workshop next time.
- Thank you, was really good inspire workshop.
- Everything is fine.
- It was great to see their brains working. My child enjoyed showing off her skills :)
- I think school should do more of workshops for another subjects.
- Enjoyed learning all the different ways the children learn maths.
- Good communication with the students from their teacher.
- Thanks!
- Attending today has helped me to be able to help my child better at home when they do maths, so that I can also use these methods at home. The teacher is lovely but she did make a few mistakes during the lesson which risks confusing the children.
- Great to see how children are taught.
- I believe she enjoyed it more and was more motivated.
- Love coming in and seeing the children learn. Would like it to be offered on different days off the week.
- I thoroughly enjoyed spending time in my child's class this morning and watching her learn maths.
- Brilliant informative class.
- The workshop was a very interesting and engaging.

- Preferred Learning methods especially for math should be shared with parents to support kids at home.
- Enjoyed today thank you.
- I am happy to see my daughter happy.
- Thank you for having us.
- Next workshop will be on number bond.
- This workshop is very informative and I learn new way of teaching maths.
- We have liked being involved in the learning and understanding more how to help our child at home. In future maybe asking parents that come to be respectful and not talk amongst themselves when we're trying to listen to the teachers.
- Well done to the teachers, doing a great job. Thanks to you all.
- The class was lovely and the teachers seem to be doing a very good job.
- Always fun.
- It was an amazing experience.
- Enjoyed coming and watching the children learn.
- It was amazing to see my child in nursery environment and having an insight on what her day looks like. Thank you so much.
