

Year 5 Homework Grid - Spring Term 2 – 2025

Homework due every Friday (Taken home on Friday)

You must do four boxes every week: Reading, SPaG, Maths and Spelling Shed

Reading Read for approximately 10 minutes every day. You may read books from home, school or the school website (virtual library virtual-library-final-draft.pdf (primarysite-prod-sorted.s3.amazonaws.com)). You can also read magazines, newspapers, packaging, computer information etc. Fill in your reading record every time that you read. 	Maths Complete the set maths homework. Sometimes your homework will be set using the Mathletics app. Practise your times tables using your TT-Rockstars log in. Try to do approximately 5 minutes every day. 	English You will also have a piece of reading comprehension or SPaG homework to complete each week. 	Spellings Complete the spelling homework that has been set on Spelling Shed Try to practise a little bit every night. Spelling activities: Use your spelling shed log in to practise and revisit all of your previous spellings. 
---	--	---	--

Project-Based Homework: The suggested ideas below are linked to the work that you will be covering in class this half term. You can choose a **minimum** of three projects to complete during the half term. However, if you would like to, or have time to, you can do as many as you like. Your work can be presented in many different ways, such as through art, presentations to the class, on the computer, 3D models or written work etc.

Be creative and have fun learning! Be creative and have fun learning! You will get 20 planet points every time you bring in a project-based homework!

Science How can materials change? 	Make a list of thermal conductors and thermal insulators in your house.	Experiment with separating materials using a sieve. For example: flour and raisins.	Bake a cake to explore reversible and irreversible changes.	Make a cycle to explain materials can change state. For example: water (liquid) can change state to an ice cube (solid).	Explain the importance of a fair test.	Design a new coat which will keep you warm.
History Ancient Greece	Have your own version of the Ancient Greek Olympics.	Draw a picture of an Ancient Greek god or goddess.	Create a fact file about the Ancient Greek gods and goddesses.	Create a timeline of the main events in Ancient Greece.	Make your own presentation of why it would be good to be a Greek god/goddess.	Research what life was like in Ancient Greece.
DT Greek Food 	Research where the food for your favourite meal originates from.	Have a taste test of different Greek food and complete a food review.	Design a Greek plate to decorate your dinner table.	Create your own recipe for a Greek meal.	Cook your own Greek meal.	Have a Greek food feast with your family or friends.
PSHE Healthy Me 	Make a food diary which includes all of your meals for the week.	Design a poster to explain what a healthy lifestyle is.	Draw a self-portrait and annotate it with all of your favourite qualities.	Plan a news report about the importance of looking after your body.	Create your own eat well plate.	Plan a shopping list with healthy swaps for unhealthy snacks.
Other	Computing Complete some tasks on purple mash. 	Computing Try and get as many points as possible on Mathletics to be awarded with certificates. 	Music Write a music review for your favourite song/style of music. 	MFL Create a timetable for a school trip in French. 	P.E Create a poster to show the different types of rules that we have learnt in Badminton. 	RE Research the Easter story. You can choose how you want to present it (e.g. poster, PowerPoint presentation etc.).
