

Year 4 Homework Grid - Summer Term 1 - 2026

English and Maths homework are sent home each Friday and are due back the following Wednesday. Please also read at home a minimum of three times per week and record this in your reading record to use towards Read to Succeed. Try and use your online Mathematics, Spelling Shed, Purple Mash and Times Table Rock Stars logins as often as possible. Your passwords can be found in the back of your reading record.

<p>Reading </p> <p>Read for approximately 10 minutes, three times per week. You may read books from home, school or the school website (virtual library virtual-library-final-draft.pdf (primarysite-prod-sorted.s3.amazonaws.com)). You can also read magazines, newspapers, packaging, computer information etc. Fill in your reading record every time that you read.</p>	<p>Maths </p> <p>Your Maths homework will be linked to our learning from that week. Practise your times tables using your TT-Rockstars log in for approximately 5 minutes every day. This will really help prepare you for your Times Tables Check later in the year.</p>	<p>Spellings </p> <p>Use your Spelling Shed log in to practise and revisit all of your previous spellings. Activities will be set weekly on Spelling Shed which will be linked to the spelling learning we have been completing in class.</p>
