

Homework due every Friday (Taken home on Friday)

You must do four boxes every week: Reading, SPaG, Maths and Spelling

<p>Reading </p> <p>Read for approximately 10 minutes every day. You may read books from home, school or the school website (virtual library virtual-library-final-draft.pdf (primarysite-prod-sorted.s3.amazonaws.com)). You can also read magazines, newspapers, packaging, computer information etc. Fill in you reading record every time that you read.</p>	<p>Maths </p> <p>Complete the set maths homework. Sometimes your homework will be set using the Mathletics app. Practise your times tables using your TT-Rockstars log in. Try to do approximately 5 minutes every day.</p>	<p>English </p> <p>You will also have a piece of reading comprehension or SPaG homework to complete each week.</p>	<p>Spellings </p> <p>Complete the spelling shed homework that has been set. Try to practise a little bit every night. Spelling activities: Use your spelling shed log in to practise and revisit all of your previous spellings.</p>
--	---	--	--

Project-Based Homework: The suggested ideas below are linked to the work that you will be covering in class this half term. You can choose a **minimum** of three projects to complete during the half term. However, if you would like to, or have time to, you can do as many as you like. Your work can be presented in many different ways, such as through art, presentations to the class, on the computer, 3D models or written work etc.

Be creative and have fun learning! Work can be uploaded to Class Dojo!

<p>Science </p> <p>Animals Including Humans</p>	<p>Complete a timeline to show the stages of a human life.</p>	<p>Use photographs to illustrate how you have grown and developed.</p>	<p>Identify the key stages of the growth of a baby during pregnancy.</p>	<p>Draw a picture of what you think you will look like when you're older.</p>	<p>Compare what you could do as a baby to what you can do now.</p>	<p>Compare a human life expectancy to a variety of animals' life expectancies.</p>
<p>Geography</p> <p>Climate Around the World</p>	<p>Complete a weather diary for a week and compare it with the weather in another country.</p>	<p>Label a world map with the different continents and oceans.</p>	<p>Label a map of Europe with the countries.</p>	<p>Research what the weather is like in Spain and write a weather report script.</p>	<p>Research what the weather is like in Poland and write a weather report script.</p>	<p>Write a holiday brochure for a different country.</p>
<p>DT </p> <p>Electrical Games</p>	<p>Make a list of games which use electricity.</p>	<p>Discuss with your adults at home how you can save electricity.</p>	<p>Design a new game which uses electricity.</p>	<p>Create a sales pitch to try to sell your game.</p>	<p>Complete a review of an electrical game.</p>	<p>Research Alexander Bell.</p>
<p>PSHE </p> <p>Relationships</p>	<p>Invent an online game for younger children and complete a storyboard plan.</p>	<p>Create an informative leaflet about how to stay safe online.</p>	<p>Pick three online games and research the age limits for them.</p>	<p>Reduce your screen time by challenging yourself to see if you can spend a day without going online.</p>	<p>Write a short story outlining the importance of staying safe online</p>	<p>Draw a caricature of yourself emphasising your best qualities.</p>
<p>Other</p>	<p>Computing </p> <p>Complete some tasks on purple mash.</p>	<p>Computing </p> <p>Try and get as many points as possible on Mathletics to be awarded with certificates.</p>	<p>Music </p> <p>Listen to your favourite song and identify all of the musical instruments which are used in it.</p>	<p>MFL </p> <p>Create a picture which demonstrates the four seasons and label it with the French vocabulary we learn this term.</p>	<p>P.E </p> <p>Compete in your own Olympic games with your family or friends.</p>	<p>RE </p> <p>Create a list of rules which you believe everyone should follow in order to have a peaceful and safe society.</p>
