Reddal Hill Primary School

GLEE - Growing Learning Enjoying Excellence

At Reddal Hill, we are always working hard to provide an excellent education for you. We have high expectations and want you to be creative and innovative whilst learning through our exciting and challenging curriculum. As well as this, we always have key areas we are focusing on. This year, they are:

To continue to improve phonics and early reading, in EYFS and KS1, using the 'Little Wandle' programme of work.

To continue to provide high quality science and curriculum lessons, helping you to know more and remember more.

To continue to develop your mathematic skills using the 'Mastery Readiness' programme of work.

To continue to develop your reading fluency and comprehension.

To do this, we need to work together...

Your teachers will do their best to give you an exciting and challenging education.

Your parents will love, encourage and support you while you learn at home and school.

You will do your best, complete your homework and enjoy your learning to achieve your full potential.

Written for the pupils 2024
