

Reddal Hill Primary School

GLEE - Growing Learning Enjoying Excellence

At Reddal Hill, we are always working hard to provide an excellent education for you. We have high expectations and want you to be creative and innovative whilst learning through our exciting and challenging curriculum. As well as this, we always have key areas we are focusing on. This year, they are:

To continue to develop the maths curriculum with a focus on fluency, reasoning and basic skills so that your child makes good progress.

To continue to develop our wellbeing provision and creative curriculum, by working towards an Arts Mark and the Sandwell Wellbeing Charter Mark Award.

To continue to give your child the **SUPPORT AND GUIDANCE** that they need to achieve their true potential.

To improve the attainment and progress in writing, across the school, through the implementation of 'The Write Stuff.'

To do this, we need to work together...

As teachers, we will do our best to provide an interesting and challenging education.

You will love, encourage and support your child while they learn at home and school.

Your child will do their best, complete their homework and enjoy their learning to achieve their full potential.

Written for the parents 2023
