

Homework due every Wednesday (Taken home on Friday)

You must do all three boxes every week: Reading, maths and phonics

Reading  Read for approximately 10 minutes every day. You may read books from home, school or the school website (virtual library virtual-library-final-draft.pdf (primarysite-prod-sorted.s3.amazonaws.com)). You can also read magazines, newspapers, packaging, computer information etc. Fill in your reading record every time that you read.	Maths Complete the set maths homework. Try to use your Mathletics login as often as possible. 	Phonics Practise reading some of the words that have been learnt that week in class. Have a go at sounding them out and blending. Don't forget to read the tricky words on there too! Spend 5-10 minutes each day reading over these to develop your fluency! 
---	---	--

Project-Based Homework: The suggested ideas below are linked to the work that you will be covering in class this half term. You can choose a **minimum** of three projects to complete during the half term. However, if you would like to, or have time to, you can do as many as you like. Your work can be presented in many different ways, such as through art, presentations to the class, on the computer, 3D models or written work etc.

Be creative and have fun learning!

Science  Naming and Grouping Animals. Seasonal Changes	Create a poster about the autumn season.	Go on an animal hunt around your home, garden or local area.	Make a spinning wheel showing different animal groups.	
Geography  Our local area	Create a 3D model using boxes, Lego, recycled materials or craft supplies.	Create a map of Old Hill.	Interview someone who has lived in Old Hill a long time to find out about how the area has changed.	
History  Changes within living memory	Make a shoebox or small box that tells the story of Queen Elizabeth II.	Create a colourful fact file all about Queen Elizabeth II.	Imagine you are a TV reporter sharing news about Queen Elizabeth II.	
Design and Technology  Cooking and nutrition.	Design a healthy meal.	Follow a recipe and take a picture of your creation.	Create a food hygiene poster.	
PSHE  Being in my world	Talk about the people in your family or people who are special friends.	Create a picture of people who you trust. A safe person.	Make a model of a special friend, including their special features.	
Other	Computing  Create an internet safety poster.	Music  Make a tuned musical instrument.	R.E  Draw a picture of someone that is special to you and write the reason why.	P.E  Create a poster to advertise healthy eating and the importance of exercise.
