

Year 6 Homework Grid - Autumn Term 1 – 2026

Homework due every Wednesday (Taken home on Friday)			
You must do three boxes every week: Reading or SPaG, Maths and Spelling. All SATs Booster packs should be brought back to school to be marked.			
Reading  Read for approximately 10 minutes every day. You may read books from home, school or the school website (virtual library virtual-library-final-draft.pdf (primarysite-prod-sorted.s3.amazonaws.com)). You can also read magazines, newspapers, packaging, computer information etc. Fill in your reading record every time that you read. You will also have fortnightly reading comprehensions in your 'SATs Booster' packs to complete.	Maths  Complete the set maths homework. Sometimes your homework will be set using the Mathletics app. Practise your times tables using your TT-Rockstars log in. Try to do approximately 5 minutes every day. You will also have a weekly arithmetic practise in your 'SATs Booster' packs to complete.	SPaG (GPS)  You will also have fortnightly SPaG (spelling, punctuation and grammar) questions to complete in your 'SATs Booster' pack alternate to the reading comprehensions.	Spellings  Spelling activities: Use your Spelling Shed log in to practise a range of spellings.

Project-Based Homework The suggested ideas below are linked to the work that you will be covering in class this half term. You can choose **a minimum** of three projects to complete during the half term. However, if you would like to, or have time to, you can do as many as you like. Your work can be presented in many different ways, such as: through art, presentations to the class, on the computer, 3D models or written work etc.

Be creative and have fun learning!

Science  The Human Circulatory System	Create a poster showing the parts of the circulatory system or the respiratory system.	Research and create a fact file about the heart.	Create a poster teaching younger children how to be healthy.	Design a new sporting activity for children to play.	Sketch a picture of the heart or lungs.	Draw a diagram to show the parts of the digestive system.
Geography  Time Zones	Create a 3D globe using papier-mache showing the equator line.	Research how and when New Year's is celebrated around the world compared to UK time.	Create a travel brochure to showcase a different country.	Create a giant working clock using a paper-plate/ cardboard or recycled materials.	Choose six cities from across the world and draw a clock face to represent their current time.	Sketch a globe and annotate it using Southern Hemisphere, Northern Hemisphere, Equator, North Pole and South Pole.
History  The Great War	Create a model trench using a shoebox.	Imagine you're a soldier on the Western Front, write a diary entry to your family.	Design a trench survival kit for a soldier.	Create a piece of poppy art using a range of recyclable items.	Create a memory jar and fill it with objects to tell the story of a fictional soldier.	Design a board game to reflect the journey of a soldier.
Art  Andy Warhol – Pop Art	Create a fact file about Andy Warhol.	Design your own pop art drawing using a range of colours.	Research how to mix the primary colours to make secondary colours.	Write a list of Andy Warhol's famous paintings.	Choose your favourite Andy Warhol painting and explain why you like it.	Use technology to make your own pop art design.
PSHE  Being Me In My World	Create a list of your goals for this year. What would you like to achieve?	Create a poster about the school rules.	Create a short video or song about following your dreams.	Write a thank you card to someone who has helped or supported you.	Draw a picture of someone important to you and describe their features and characteristics.	Complete an activity that helps your mental wellbeing and makes you feel calm and happy.
Other	Computing  Complete some tasks on purple mash and save them in the class folder.	Computing  Create an internet safety poster.	Music  Listen to a range of different styles of music. Which is your favourite?	MFL  Create a French poster to recall the names of colours.	PE  Research invasion games and design a poster.	RE  Create an acrostic poem about respect.
